

- 3) After cutting your Base and 2 Lid pieces and removing the wedges and the curves, measure 2.3cm in from all sides as shown in the diagrams above.
- 4) Score these lines and fold inwards.
- 5) **Box Base** - Add Glue Gel/Bookbinding Glue to the Tops of Flaps marked with the **X**, fold inwards and under the side strips and hold with paper clips until thoroughly dry. Do this for all four corners.
- 6) **Box Lids** - Add Glue Gel/Bookbinding Glue to the **underside** of the flaps marked with the **X** crosses and in between, stick these down to each of the ends of your Box Base section.
- 7) Cut 2 strips from each of the Fade-out backing sheet cards 22 cm x 2.2 cm – **Make sure that the pattern matches for both sides.**
- 8) Add double sided tape to these strips and add to the sides of the Box Base, making sure that the side flaps from the Lid sections are covered.

- 9) From your Topper/Pyramage sheet, make up two Pyramage Toppers for each of the Lid flaps.
- 10) Cut 2 pieces of Holographic card 13cm x 9cm and Matte and layer your Toppers on to this before placing on to the top flaps of your box lids.
- 11) Cut out and make up your 2 sets of envelopes and place these in the box base.
- 12) Cut out the 6 A5 writing papers and lay on top of your envelopes
- 13) Fold your 6 quarter fold Notelets and place 2 piles of 3 on top of your writing paper.
- 14) Cut our and make up the Bookmark and the Gift card (envelope optional) and lay on top of your stationery.
- 15) Fold both the lids of your box down over your stationery and with your Ribbon wrap around your box in both directions as so and tie in a neat bow:-

**This completes the project I hope you have enjoyed making it.**
